Seahorses—Rosy

Lobsters—Max H

Sharks—Sabrina

Hermit Crabs—Alex & Tyler

Starfish—Billy

Office— Matthew M

Breakfast Club— Anya

Dear Parent / Carer

Welcome back after what I hope was great half term break. The sun shone and is forecast to shine brightly next week as well. Please ensure your child has a sunhat, drink bottle and has had sun cream applied before arriving in school.

Earlier in the week, we shared our latest Ofsted report. We are very proud to remain 'good' and I would like to thank the children, staff and parents for your support. You can view the report on the school website.

Parents Conference—Wednesday 5th July—following Sports Day there will be a meeting for parents. I will give a few updates; discuss highlights from the Ofsted report and share a few plans for next year. I would also like to invite parents to ask questions in advance using the link below. These questions should be generic, rather than linked to an individual pupil / family and I will endeavour to make sure that these are addressed.

<https://forms.office.com/e/eRBLGnDAFu>

This week, we have updated our Relationships Policy to include a Horizon Pathway. This a peg system which encourages children to move their peg along a display board, seeking to be recognised for ready, respectful and safe behaviours. Policy is on the website.

A huge thank you to ACE Motors and Friends of Watcombe for supplying us with a minibus. This vehicle will enable us to attend more sporting events and conduct more trips to enhance the curriculum. Massive thank you!!

Next week Years 5 and 6 will be on residential until Wednesday. The children are very excited about all the activities but especially caving and coasteering.

Kind Regards
Mr T Nield
