Dear Parent / Carer,

I would like to start with a thank you to those parents who were able to attend Sports Day. I hope you enjoyed the events and although the weather prevented us practicing in the morning and the picnic we were pleased that the worst of the weather held off. Further thanks to those of you who attended the Parents Conference—this provided a good opportunity for parents to ask questions and understand the workings and ambitions of the school. I hope to make this an annual event.

Last week, children spent Thursday in their new classrooms, with their new teachers and have hopefully begun to form positive relationships. Additionally, we have been providing further opportunities for staff to develop these relationships to make transition in September as smooth as possible.

Following assessment from the governors, nine Year 6 pupils passed and attended the Civic Awards, where they received certificates for the various actions they have taken including charity work and improving our community. Well done to all involved and we hope next year to have even more pupils taking part. A special thank you to Mrs Martin for her support of the children.

Parents may have seen the announcement from Government and teaching unions, where an agreement appears to have been reached. Unions will now seek approval from their members, but they are recommending that their members should accept the offer, meaning that anticipated industrial action during the Autumn is less likely.

Finally, you should've received your child's report today. If you have any questions or would like to meet your child's teacher then please contact the office who can arrange a time next Wednesday after school for you to meet.

Kind Regards
Mr T Nield
