Dear Parent / Carer

One week completed already! It has been great to see the children start to settle into their new classes and get stuck into their learning.

This week you should've received a letter introducing you to Education City. This is an online learning platform, which we will be using to support homework, but also with-in lessons as well. We believe that the programme will make homework a more relaxing and engaging process for all. If you have any problems please do contact us.

Please also keep a close eye on the Class Pages on the website. Teachers will be updating this content to give you small taste of what is happening in their classrooms.

SEND Roadshow

On Monday at 3pm, there will be an Special Educational Needs and Disabilities (SEND) Roadshow provided by the local authority.

Volunteering

If you or someone you know might be interested in supporting the school in some way then please do contact the office or speak to a member of the team. We have a dedicated team of volunteers who are highly valued by staff and children alike. So, if you are interested in hearing readers, running a club, support a school trip or assist the Friends of Watcombe, your support would be gratefully received.

Reminders

- Please ensure all your child's / children's clothing is clearly labelled and they have their PE kit in school (Seals class to come to school in their PE kit).
- If you every have any questions or queries please don't hesitate to contact the school.

Kind Regards

Mr T Nield
